

COMPANY PROFILE

Stamford Sport Wheels (SSW) is a subsidiary of Stamford Tyres Corporation Limited (STCL), a global tyre and wheel specialist, established in the 1930s and head office in Singapore. The expertise lies in our international distribution competence. STCL is listed on the main board of the Singapore Exchange Securities Trading Limited (SGX-ST).

SSW, a manufacturer of light aluminium alloy wheels, is established in 2004. With the in-house design and engineering teams, we can produce an exceptional line of wheels that offer exciting style, look and performance, from size 13" to 24" available for passenger car, SUV and light truck (4x4). Besides domestic market our main customers covers 7 continents which includes Europe, North America, Asia, Africa, South America, Arctic and Australia.

We have both Tilting Gravity and Low Pressure Casting machine in our facilities. Together with a modernized painting line, housed in a clean environment with dust free spray booths, this allows us to achieve more consistent and flawless finishing. Under stringent quality control process, SSW's plant is certified by TUV Rheinland, Germany for ISO 9001:2008 and TS16949:2009 since year 2006 and our production of alloy wheels has been certified by JWL / JWL-T (Japan), SNI (Indonesia standard), GOST (Russian standard), and TSE (Turkish standard).

SSW offers the highest quality alloy wheels at an affordable price level. We continuously conduct market research on the latest trends, best materials and newest production technology to ensure that as a customer you are treated to the latest innovation in the wheel industry. Lastly, all our SSW wheels go through the strictest safety tests and passed the latest standards that will give the most discerning user a peace of mind.
